Present perfect: simple o continuo

How many o How long: cantidad y duración

How many significa cuántos o cuántas. Va delante de un nombre plural y pregunta por una cantidad: How many books have you read? How long significa cuánto tiempo y pregunta por duración: How long have you been reading? Aquí las cantidades van con el simple y las actividades que llevan un tiempo en marcha, con el continuo. Con estados también puede usarse How long y el simple: How long have you known her?
