Completed actions, duration and results

Already o yet: terminado o pendiente

Already significa ya: I had already finished, ya había terminado. Aquí va entre had y el participio. Yet, al final de estas negativas, significa todavía o aún: I had not finished yet, todavía no había terminado. Had not puede abreviarse como hadn't. El contexto cuenta qué estaba terminado o seguía pendiente en aquel momento pasado.

Ejemplo resuelto

The box was still sealed at noon. I hadn't opened it ____. → The box was still sealed at noon. I hadn't opened it yet.

La caja seguía cerrada al mediodía. Todavía no la había abierto.

Completa con already o yet según el relato y la estructura.
