Before, after, by the time and until

Past simple en las oraciones de tiempo

Para contar los hechos de ayer o de otro momento pasado usamos aquí past simple, también después de before, after y until. Usa el verbo de la primera frase. Los regulares llevan -ed, o solo -d tras e. En consonante + y, cambia y por i: copy → copied. Stop y wrap duplican la consonante: stopped, wrapped. Los irregulares pueden cambiar: eat → ate, leave → left, bring → brought. Put conserva la escritura.

Ejemplo resuelto

I eat at noon. Yesterday, I washed my hands before I ____. → I eat at noon. Yesterday, I washed my hands before I ate.

Como al mediodía. Ayer me lavé las manos antes de comer.

Completa solo el past simple del verbo de la primera frase.
