Common irregular participles

Participios después de have

Con have podemos contar algo que ha ocurrido hasta ahora: I have eaten, he comido. Después de have va el participio. En estos verbos no basta con añadir -ed: write pasa a written; eat, a eaten; be, a been. Usa el verbo de la primera frase y completa solo su participio. En inglés americano, aquí get pasa a gotten cuando significa conseguir o cambiar: have gotten better, han mejorado.

Ejemplo resuelto

I write postcards. I have ____ two today. → I write postcards. I have written two today.

Escribo postales. Hoy he escrito dos.

Escribe solo el participio del verbo de la primera frase.
