Common irregular participles

Participios después de has

Con he, she e it usamos has para contar algo que ha ocurrido hasta ahora. Después va el participio: she has taken, ella ha cogido. El participio no cambia según la persona: I have taken y she has taken. Usa el verbo de la primera frase. Recuerda algunas formas: do pasa a done; see, a seen; be, a been. Para get con sentido de cambiar usamos aquí gotten, como en has gotten stronger, se ha hecho más fuerte.

Ejemplo resuelto

Anna takes photos. She has ____ three today. → Anna takes photos. She has taken three today.

Anna hace fotos. Hoy ha hecho tres.

Escribe solo el participio del verbo de la primera frase.
