Common irregular participles

Participios distintos del pasado simple

En estos verbos, pasado simple y participio son distintos: begin, began, begun; drink, drank, drunk; write, wrote, written. Después de have o has necesitas el participio. Usa el verbo de la primera frase. Come pasa a came en pasado y vuelve a come en participio; run pasa a ran y vuelve a run. Be tiene el participio been. En inglés americano usamos aquí gotten para get cuando expresa un cambio.
