Common irregular participles

Have o has junto al participio

Aquí faltan dos palabras: el auxiliar y el participio. Escribe have + participio con I, you, we y they; has + participio con he, she e it. Usa el verbo de la primera frase para contar algo que ha ocurrido hasta ahora: I have written, yo he escrito; she has written, ella ha escrito. Escribe las palabras completas, sin contracciones. Para get que expresa un cambio usamos aquí gotten, inglés americano.
