Common irregular participles

Had junto al participio

Aquí faltan dos palabras: had + participio. Expresan algo que ya había ocurrido antes de otro momento pasado: we had eaten, ya habíamos comido. Had no cambia con la persona. Usa el verbo de la primera frase; la segunda sitúa el hecho antes de otro momento. Went pasa a gone; wrote, a written; was o were, a been. Con get que expresa un cambio usamos aquí gotten, inglés americano. Escribe ambas palabras completas.
