This is the first time...

First, second y third: contar las experiencias

First significa primera; second, segunda; third, tercera. La frase cuenta cuántas veces ha ocurrido la experiencia, incluida la que se describe. Una vez en total corresponde a the first time; dos, a the second time; tres, a the third time. No cuentes solo las ocasiones anteriores. Have o has mira hasta ahora; had mira hasta un momento pasado. El verbo ya está escrito: completa solo el ordinal en inglés.
