It's ... since / The last time

Past simple con the last time

The last time significa la última vez. La frase señala un momento pasado terminado: The last time I ate sushi was two months ago. Usa el verbo de la primera frase en past simple: eat pasa a ate; write, a wrote; take, a took. Los regulares llevan -ed o -d: play, played; use, used. El pasado no cambia con la persona en estos verbos. Escribe traveled con una sola l.

Ejemplo resuelto
