It's ... since / The last time

It has been: el tiempo desde la última ocasión

The last time I saw her was two weeks ago y It has been two weeks since then expresan la misma distancia hasta ahora. Completa solo la duración: two weeks. No añadas for ni ago, porque It has been y since then ya forman la estructura. En inglés americano es habitual It has been; It is también puede expresar este tiempo. Copia la duración con palabras.
