Will: decisions, promises and predictions

Decisiones en el momento: will

Usamos will cuando decidimos algo al hablar: el teléfono suena y dices I will answer it, voy a contestar. Will va igual con I, you, he, she, it, we y they. Después va el verbo básico, sin to, -ing ni una s añadida: will help. La acción ya está escrita.

Ejemplo resuelto
The phone needs answering. Okay, I ____ answer it. → Okay, I will answer it.
Hay que contestar al teléfono. Vale, voy a contestar.

Completa solo con will.
