Will: decisions, promises and predictions

Predicciones: will

Una predicción dice lo que crees que pasará. I think she will win: creo que ganará. Aquí nos basamos en lo que suele pasar; no sabemos el futuro con certeza. Will va igual con I, you, he, she, it, we y they. Después va el verbo básico, sin to, -ing ni una s añadida: will help. La acción ya está escrita.

Ejemplo resuelto

Anna usually wins races. I think she ____ win this one too. → I think she will win this one too.

Anna suele ganar carreras. Creo que también ganará esta.

Completa solo con will.
