Will or be going to

El primer auxiliar: will, am, is o are

Para decidir al hablar, solemos usar will. Para una intención decidida antes, am, is o are + going to. Aquí practicamos ese contraste habitual; en otros contextos las dos formas pueden coincidir. Con I va am; con he, she, it o una persona, is; con you, we, they o varias personas, are. La acción y, cuando hace falta, going to ya están escritos.
