Will or be going to

Predicciones: opinión o indicios actuales

Para una predicción basada en experiencia, aquí usamos will: I think she will win. Para algo que parece que va a pasar por lo que vemos o sentimos ahora, usamos am, is o are + going to. Con I va am; con he, she, it o una persona, is; con you, we, they o varias personas, are. La acción ya está escrita.

Ejemplo resuelto
