May, Might and Could: Possibility

May: una posibilidad

May puede significar «es posible que»: She may come = puede que venga. No estamos seguros. Después va el verbo sin to ni -s. Might y could también pueden expresar posibilidades parecidas; aquí practicamos may, no permiso.

Ejemplo resuelto
Eva has not confirmed her plans. Eva ____ come. → Eva may come.
Eva no ha confirmado sus planes. Puede que venga.

Completa todos los huecos con may.
