May, Might and Could: Possibility

May not: es posible que no

May not significa aquí «es posible que no»: She may not come = puede que no venga. No significa que tenga prohibido venir. Not va después de may y después va el verbo sin to ni -s. Aquí usa la forma completa.

Ejemplo resuelto
Perhaps Eva will not come. Eva ____ come. → Eva may not come.
Quizá Eva no venga. Puede que no venga.

Completa todos los huecos con may not.
