May, Might and Could: Possibility

Be y have después de los modales

Después de may, might o could usamos be para ser o estar: she might be tired. Usamos have para tener: she may have a map. No usamos is, are ni has después del modal. Aquí completa solo con be o have según la frase.

Ejemplo resuelto
Eva has not checked her bag. Eva might ____ a map. → Eva might have a map.
Eva no ha mirado en su bolsa. Puede que tenga un mapa.

Completa con be o have según la frase.
