Second Conditional

El resultado negativo: would not

If: si. En este patrón, imaginamos con pasado en la condición. El resultado negativo lleva would not y verbo básico. También se usa wouldn’t, pero aquí practicamos la forma completa. Would not go significa no iría.

Ejemplo resuelto

Verbo: go. If it rained, I ____ out.
If it rained, I would not go out.
Si lloviera, no saldría.

Completa would not y el verbo indicado, sin contraer.
