Passive: Continuous Tenses

Algo se está haciendo ahora

La pasiva pone primero a quien recibe la acción. The door is being painted: la puerta se está pintando; alguien la está pintando. Presente: am, is o are + being + participio, como painted. I significa yo y usa am; una cosa usa is; varias o we, nosotros, usan are. El resto ya está escrito. Now: ahora; at the moment: en este momento.
