Being después de una preposición

Usamos being + participio tras una preposición. Object to: oponerse, no estar de acuerdo; su to es preposición, no lleva to be detrás. Without: sin; after: después de; tired of: harto de; proud of: orgulloso de. Aquí practica la forma simple being, sin having. Participios regulares: -ed; tras -e, solo -d; consonante + y, cambia y por -ied. Stop→stopped; wrap→wrapped; label→labelled. Tell→told; leave→left; send→sent; forget→forgotten; wake→woken; choose→chosen; give→given; hear→heard; teach→taught; show→shown.
