Get Passive

Negativas en presente

En el habla informal, get + participio puede indicar que alguien o algo recibe una acción. No significa siempre conseguir: got invited significa que lo invitaron. Aquí practica la pasiva con get, sin cambiarla por be. Usa does not get con he, she, it o una sola persona o cosa; do not get con I, you, we, they o varias. Tras does vuelve a get, sin -s.

Ejemplo resuelto

We ____ invited to that club.
We do not get invited to that club.
No nos invitan a ese club.

Completa con do not get o does not get.

01. Las mejores historias no se eligen para el periódico escolar.
