Formal Impersonal Passive

It has not been: algo no demostrado

It has not been + participio + that niega que exista esa comprobación. No dice que se haya demostrado lo contrario: It has not been proved that the key fits, no se ha demostrado que la llave encaje. Has not ya aparece. Prove→proved: demostrar; show→shown: mostrar; confirm→confirmed: confirmar; find→found: descubrir; establish→established: establecer. Prove admite proved y proven; aquí usa proved.

Ejemplo resuelto

It has not ____ that the key fits.
