Reported Statements

De have + participio a had + participio

Contamos lo que alguien dijo. I = yo; he = él; she = ella; said that = dijo que. Aquí cambiamos el tiempo hacia el pasado. Si la información sigue vigente, a veces se puede conservar el tiempo original. I have + participio significa he hecho algo; he o she had + participio significa había hecho algo. Escribe had y el mismo participio que aparece en la cita.
