Say y tell: decir y contar

Contraste: said that y told me that

Say y tell pueden significar decir o contar. En pasado: say→said; tell→told. Mira qué hay después del hueco. Said va directamente delante de that + información; told va delante de la persona que recibe esa información: told me that. That = que; me = a mí; he = él; she = ella. Los demás verbos ya están preparados.

Ejemplo resuelto

Leo ____ me that he had arrived.
Leo told me that he had arrived.
