Relatos sin cambio de tiempo verbal

Says: conserva el pasado simple

Says = dice; said = dijo; that = que; I = yo. Mia y Ana: she = ella; Leo y Tom: he = él. Con says, un mensaje en pasado simple conserva ese tiempo: I went → she went = fue. Had gone = había ido: no cambies went por had gone. Copia el verbo del mensaje; solo cambia I por he o she. El pasado tiene la misma forma con estas personas. La ayuda española explica el mensaje completo.
