Relatos sin cambio de tiempo verbal

Said: datos personales aún ciertos

Says = dice; said = dijo; that = que; I = yo. Mia y Ana: she = ella; Leo y Tom: he = él. En TODOS estos casos sabemos que el dato sigue siendo cierto ahora. Tras said podemos mantener el presente; aquí lo haremos así. I live → she lives = vive. Ajusta I a he o she: añade -s, o -es tras -ch, -s o -o. Consonante + y pasa a -ies; have pasa a has y am a is. Usar pasado también puede ser válido. La ayuda española explica el mensaje completo.
