Estilo indirecto: resumir información

Dos acciones: lo hecho y lo que haría después

Mia y Ana: she = ella; Leo y Tom: he = él. Me = a mí; I = yo; that = que. Said = dijo. Para resumir dos acciones de la misma persona, usa and = y. Lo ya hecho lleva had + participio: had made = había hecho. Lo que haría después lleva would + verbo: would wash = lavaría. Conserva las dos informaciones. Del 1 al 20 completa had y el participio; del 21 al 40, would y el verbo. Participio regular: añade -ed, o -d tras -e. Learned y learnt son válidos. Verbo da la base; Ayuda, las formas especiales.
