Verbo + acción en -ing

Finish: terminar una tarea

Has finished = ha terminado. Después de finish, la acción va en -ing, sin to: has finished reading = ha terminado de leer. La tarea ya está completada. No confundas la forma de la acción con un verbo en pasado. Verbo da la forma básica. Añade -ing. Si cambia la escritura, Ayuda te da la forma necesaria. La frase española explica el sentido completo.

Ejemplo resuelto

Verbo: read. Ana has finished ____ the book.
