Verbos con -ing o to + verbo

Is beginning, is starting, is continuing + to

Is beginning e is starting = está empezando; is continuing = está continuando. Are se usa con varias cosas o personas. Como el primer verbo ya termina en -ing, normalmente preferimos to + verbo después para evitar dos formas en -ing seguidas. Aquí practica esa forma preferida: escribe to y el verbo de Verbo sin cambiarlo.

Ejemplo resuelto
Verbo: rain. It is beginning ____.
