Verbos con -ing o to + verbo

Begin y start: empezar a entender o darse cuenta

Began y started = empezó. Understand = entender; realize = darse cuenta. Para estos cambios en lo que una persona comprende, normalmente preferimos to + verbo: began to understand = empezó a entender. Aquí practica esa forma preferida: escribe to understand o to realize según el verbo indicado. Realise también es una escritura británica válida.

Ejemplo resuelto

Verbo: understand. Mia began ____ the joke.
