# Modificadores de comparativos

## A bit: un poco

El modificador va delante del comparativo. Than significa que. A bit significa un poco y es habitual en conversación. Escribe las dos palabras, sin of: a bit bigger. Slightly y a little también pueden expresar una diferencia pequeña. Big → bigger; thin → thinner; wet → wetter; sad → sadder. Easy → easier; heavy → heavier; dirty → dirtier; busy → busier; dry → drier. Con los adjetivos largos, more + adjetivo.

**Ejemplo resuelto**

This box is a bit bigger than that one.
Esta caja es un poco más grande que aquella.
La pista indica qué forma practicar, no descarta otras válidas.

**Completa con el modificador indicado y el comparativo.**
