Modificadores de comparativos

Repaso general 2

Much, far y a lot = mucho ante un comparativo. Slightly = ligeramente; a bit = un poco; even = aún más o aún mejor. Van antes del comparativo: much better, far more expensive. Very acompaña al adjetivo sin comparar: very small. Good/well → better; bad/badly → worse; big → bigger; easy → easier. Con largos y adverbios en -ly, more + palabra. Hay sinónimos válidos; usa la pista.
