Too, enough, so y such

So many y so much

Con cantidades usamos so many + plural contable y so much + incontable: so many books = tantos libros; so much water = tanta agua. Aquí that introduce el resultado. No usamos such many ni such much. Escribe so many o so much y el nombre indicado.

Ejemplo resuelto

Tom has so much work that he cannot rest.
Tom tiene tanto trabajo que no puede descansar.
La traducción indica qué significado debes expresar.

Completa el hueco con una palabra o un grupo de palabras.
