Quite, rather, fairly, pretty y adjetivos extremos

Absolutely con adjetivos intensos

Exhausted = agotado; starving = muerto de hambre; terrified = muerto de miedo; furious = furioso. Freezing = helado; boiling = ardiendo; enormous = enorme; tiny = diminuto; fantastic = fantástico; awful = horrible. Ya expresan mucha intensidad. Absolutely los refuerza de forma habitual. La pista pide esa combinación; no es una lista de prohibiciones para todo contexto.
