Quite, rather, fairly, pretty y adjetivos extremos

Completely: completamente

Completely indica totalidad: completely empty = completamente vacío. Empty = vacío; full = lleno; dry = seco; clean = limpio; silent = en silencio; wrong = equivocado; sure = seguro; alone = solo; exhausted = agotado; lost = perdido. No combina igual de bien con todos los adjetivos: practicamos combinaciones habituales, no una regla mecánica.

Ejemplo resuelto

The bottle is completely empty.
La botella está completamente vacía.
Usa la forma indicada: otras expresiones también pueden ser válidas.

Completa el hueco según la traducción y la pista.
