Oraciones de relativo definitorias

Which: identificar una cosa

Which puede señalar una cosa: the book which is on sale (el libro que está de oferta). La relativa identifica el objeto, sin comas. Which es aquí el sujeto de is o costs; no se puede omitir. That también es válido y es frecuente en inglés americano. Aquí practica which.

Ejemplo resuelto

The book which is on sale is mine.
El libro que está de oferta es mío.
La traducción y las instrucciones indican qué forma practicar.

Completa cada hueco; puede faltar una palabra o un grupo.
