# Omisión del pronombre relativo

## Preposición delante: se conserva el relativo

En the person to whom I spoke, to va delante del relativo: no podemos omitir whom. En este orden formal, usamos whom para personas y which para cosas; no who ni that. To whom I spoke significa con quien hablé. Aquí la preposición ya está escrita: completa solo whom o which.

**Ejemplo resuelto**
The person to whom I spoke is here.
La persona con la que hablé está aquí.
