Causa y razón: because, as, since, because of, due to

Since para introducir una razón de fondo

Since puede presentar una razón como información de fondo: Since the road is closed, we will take another route. En estos ejercicios significa “puesto que/como”, no “desde”. En este uso puede sonar más formal que because.

Ejemplo resuelto

Since the road is closed, we will take another route.

Completa con since. En todas las frases introduce una razón, no un momento inicial.
