Causa y razón: because, as, since, because of, due to

As para una causa presentada como contexto

As puede introducir una causa presentada como contexto: As it was getting late, we went home. En esta función aparece con frecuencia al principio de la oración; because suele ser más directo y común en conversación.

Ejemplo resuelto

As it was getting late, we went home.

Completa con as. Practica la causa al principio y después del resultado; pon coma si aparece primero.
