Causa y razón: because, as, since, because of, due to

Because, as y since

Because suele dar una razón directa y es muy frecuente al hablar. **As** y **since** suelen presentar una razón de fondo; since puede sonar algo más formal. El contexto y la posición ayudan a interpretar la frase.

Ejemplo resuelto

I left early **because** I felt ill. / **Since** everyone is here, we can begin.

Completa según la pista: razón directa = because; razón de fondo = as o since (se indica cuál).

01. la entrada principal vuelve a estar abierta puesto que la reparación ha terminado.
The repair is complete _____ the main entrance is open again.
