Resultado: so, therefore, as a result, so...that, such...that

Such destaca el nombre y conduce al resultado

Usa **such** antes de un sintagma nominal: such a long journey, such crowded streets, such bad weather. Con un nombre contable singular, incluye a/an.

Ejemplo resuelto

It was **such a long journey** that we fell asleep on the train.

Completa el hueco con el sintagma que empieza por such. That ya está escrito.
