Finalidad: to, in order to, so as to, so that

So as to introduce un propósito seguido de infinitivo

So as to + infinitivo expresa finalidad: They added signs so as to help visitors. En el uso cotidiano, to suele ser más sencillo; so as to aparece con frecuencia en instrucciones y textos más formales.

Ejemplo resuelto

They added signs **so as to** help visitors.

Completa el hueco con so as to.

01. La biblioteca abrió antes para que los estudiantes pudieran trabajar en silencio.
