Finalidad: to, in order to, so as to, so that

La finalidad en pasado suele llevar could o would

En una oración de finalidad en pasado, **so that** puede ir seguido de could para expresar posibilidad o de would para una consecuencia prevista: I sent a message so that he could find us.

Ejemplo resuelto

I sent a message **so that** he could find us.

Completa cada hueco con so that. La oración incluye el sujeto y el verbo en pasado o con modal.

01. Llamé a la oficina para que pudieran cambiar la reserva.
