Repaso de las posiciones

Antes y después del nombre

El lugar del adjetivo depende de las palabras que lo acompañan. Puede ir después de something, después de is, delante de un nombre o después de un nombre. “The + adjetivo” puede nombrar a un grupo.

Ejemplo resuelto

Después de something, useful va detrás.
I found something _____ in the bag.
I found something **useful** in the bag.

Lee la pista y completa el hueco con la palabra o grupo de palabras que falta.
